

SULZER

PSSG & SULZER Partnership

We are pleased to announce that PSS is now the new partner for SULZER in Thailand. The agreement covers all rotating equipment spare parts and services for the Power Sector, Oil& gas Sector, and the Petrochemical Sectors of Thailand. The agreement further includes new rotating equipment for the Power sector of Thailand.

We are further pleased to announce that PSS will now be the authorized repair and service center for SULZER equipment in Thailand. To support this, the technical team of SULZER will permanently move to PSS offices and service workshop. We are further making several enhancements in our workshop which will boost our capabilities with parts and machining.

This is a big step for PSS as it develops our capability to service high energy pumps and provide solutions related to asset lifetime extension and energy efficiency. It also supports our goal to support the industrial sector in Thailand in a more meaningful manner.
